  - Tempe's Committee for Youth, Families and Community (CYFC) would continue to serve as the City's Public Policy Board for prevention efforts and would continue support a broad range of prevention and intervention efforts in our community.
  - Consolidating the efforts of the strategic planning committee, supported by the City's Magellan Prevention Grant, with CYFC would give CYFC greater focus and the opportunity to work on proposed projects to reduce underage drinking.
  - Consolidating the two committees would add membership sectors that are currently not represented on CYFC.
  - The consolidated committee would elect a community representative to chair the committee in August 2009. Subcommittees could also be formed to work on specific proposed projects.
